

## Key principles of performance-based language education

### **Curriculum is based on i+1**

*To the extent possible, MAXIMIZE*

- focus on learner
- focus on meaning
- focus on communication
- contextualization (based on real life)
- task-based activities
- balance between skill-getting and skill-using
- spiraling (through conceptual, partial, and full control)
- student motivation, confidence, and movement toward SELF-LEARNING
